

About Us

Our chapter of the Grant County Master Gardener Volunteers was founded in 2001.

Two Horticulture Scholarships are awarded yearly to UW-Platteville students.

Our annual plant sale is May 11 from 8-11AM in the Crops Building at the Lancaster Youth & Ag Center. Plants are donated from our zone four gardens. Shrubs, perennials, vegetables and bulbs are available at the sale.

A sample of our ongoing Community Garden Projects:

Platteville: Katie's Community Garden, Platteville Community Arboretum

Lancaster: Orchard Manor, UWEX Native Garden, Community Golf Course, City Community Garden Site
