

WHERE IS THE FAIRY GARDEN

**Follow the sidewalk from the Gazebo,
cross the walkway, go to the pathway
to the right into the garden.**

Fairy gardens are miniature gardens that, with their small plants, houses, outdoor structures, and furnishings, give the illusion of tiny creatures living there.

For more information, contact Carley Borcharding, carlelou@yahoo.com

Kathy Kubitz, dk.kubitz@mchsi.com

The Fairy Garden was created by three Grant County Master Gardeners Volunteers as their project for 2013 for young and old to enjoy. The display shows some before and after photos, but must see in person to appreciate.
