Has a Story to Tell!

Grounds Beautification Project by
Marsha Schneider and her family
and other MGVs – June 2021

Marsha's grandson and her husband hauled the pots from her home and found a new home at the museum.

Butterfly House was added in 2019.

Finishing touches of mulch and sign identification. Getting to know your plants is helpful to expand focus of names of the plants.

Great Job Marsha and Jo!

Lots of advantages of capturing and storing water.

The other
colorful side.

Images of saving our heritage of toys and saving the Monarchs.
