

NATIVE PLANT NURSERIES IN WISCONSIN

- Nurseries which primarily carry plant material native to Wisconsin and adjacent states
- Nurseries which carry native Midwestern, non-native, and/or wild-dug plants

This list was compiled by the Bureau of Natural Heritage Conservation, Wisconsin Department of Natural Resources. This list does not imply any endorsement or recommendation by the Wisconsin DNR.

Revisions or additions to the list should be sent to NHC, Wisconsin DNR, PO Box 7921, Madison, WI 53707 (Attn: Kelly Kearns), phoned in at (608) 267-5066, or e-mailed to Kelly.Kearns@Wisconsin.gov.

Nurseries Which Primarily Carry Plant Material Native to Wisconsin and Adjacent States

The following companies, individuals, and organizations may be able to provide you with seed or plants native to Wisconsin or the Midwest. Except as noted, seeds and plants are generally nursery grown.

When doing any plantings to restore or re-create a natural area, it is best to obtain seed or plants from as close to your planting site as possible. Most nurseries are willing to tell you the source of their plants; ask for the source if your intent is to purchase nursery-propagated plants or locally obtained seed. All out-of-state nurseries listed are within approximately one hundred miles of Wisconsin.

State Nursery

Wisconsin State Nurseries specialize in producing quality native forest trees and wildlife shrub seedlings for conservation plantings at a reasonable price to encourage reforestation and restoration in Wisconsin. Orders are accepted beginning in October for the following spring planting season. Orders are filled on a first come basis. A minimum order must consist of a total of 1000 tree seedlings, 500 shrubs, or one packet of seeds. Trees and shrubs may be purchased in increments of 100 of each species.

Ashland County

Deer Creek Seed Company is a source for native grasses and wildflower mixes, as well as turf, forage, and wildlife food seed. Address: 6115 Pepsi Way Windsor, WI. 53598. Phone (877)-247-3736. Email: customerservice@deercreekseed.com Web: www.deercreekseed.com
