

## Resource speaker, Bernadette Williams, on staff at DNR.

[dnr.wi.gov/staffdir/newsearch/ContactSearchResultsExt.aspx?cno=42122&cSrc...](http://dnr.wi.gov/staffdir/newsearch/ContactSearchResultsExt.aspx?cno=42122&cSrc...)Name: Bernie Williams. Email Address: [Bernadette.Williams@Wisconsin.gov](mailto:Bernadette.Williams@Wisconsin.gov). Working Title: Plant Pest and Disease Specialist. Supervisor: Rebecca Gray ... Work Station: GEF2 DNR CENTRAL OFFICE. Work Address: [101 S Webster Street Madison, WI 53703](#). Work Mailing Address: PO Box 7921. Madison, WI 53707-7921. Bernadette Williams spoke at the Grant County Driftless **Workshop on Jumping Worms who would be an excellent resource for questions re the jumping** worm.

## What we know, with UW-Madison's Brad Herrick.

<https://awaytogarden.com/asian-jumping-worms-what-we-know-with-uw-madisons-brad-herrick/>

Brad Herrick is Arboretum Ecologist and Research Program Manager at the [University of Wisconsin-Madison Arboretum](#), where the staff first noticed the destructive handiwork of Asian jumping worms in 2013. He's been studying them ever since. Though our understanding of these organisms is in the very early stages, we talked about their biology, their impact, and what control tactics are being explored by scientists seeking a solution.
